

**We LOVE
public schools.**

**Say NO to the
privatisation of
public schools.**

**Say NO to
charter schools.**

**NZEI
TE RIU ROA**

We **LOVE** public schools because:

- Teachers are qualified and registered
- We teach the National Curriculum
- We give effect to Te Tiriti o Waitangi
- Te reo Māori and tikanga are taught
- Parents have a democratic voice through the school board
- We have a strong connection to the community.

Say NO to the privatisation of quality, public education.

Say NO to charter schools.

What we **RISK** if we become a charter school:

- Your taxes fund the school, but it will be privately operated
- You lose your democratic parent voice because there is no school board
- Your child's teacher might be unqualified
- No requirement to teach the National Curriculum
- No guaranteed teaching of te reo Māori or tikanga
- Loss of many safeguards through deregulation.

We want quality, public education for all tamariki in Aotearoa.

Say NO to the privatisation of quality, public education.

Say NO to charter schools.
