

## What **unfinished business** remains from our collective agreement negotiations?

pay equity

Address historic pay undervaluation. Our **Mana Taurite | pay equity** claim to ensure people receive the same pay for doing jobs that are different, but of equal value is underway.

release time

Pursue further improvements in **classroom release time** in the next round of **collective agreement negotiations in early 2025**.

learning support

Win better learning support and resourcing through the **Highest Needs and Teacher Aide Funding** reviews, and call for more Learning Support Coordinators/SENCOs and specialist staff through our **election campaign**.

ratios

Pursue **ratio improvements** through the **Ministerial Staffing Advisory Group** and through our **election campaign**.

pay parity

Measure the **fairness and parity of conditions** across the sector, including unit values through the **Mana Taurite process**.

relievers

Pursue improved **pay and conditions for relievers** through the **reliever working group** established during the settlement.
