

Put tamariki at the heart of decisions about ECE

We call on the Government to STOP its recommended changes to early childhood education:

- **Don't scrap child safety and curriculum regulations.**
- **Don't undermine qualified teacher requirements.**
- **Don't put profit ahead of quality early childhood education for tamariki.**

**We call on you,
to vote AGAINST the legislation arising from these
recommendations.**

**As
in
we are most concerned about**
