

# Back quality early childhood education for all tamariki!

## A collective shoe action

Children's early years are the most important for their learning.

Yet the Government is making big decisions that impact on the quality of early childhood education for our youngest learners.

It has scrapped pay parity for many teachers and undermined their qualification requirements.

It has removed regulations that protect high-quality early childhood education and conditions for kaiako, tamariki and their whānau.

**Share a visual message to show you believe high-quality education is as important in early childhood as it is for older children – because the quality of children's education shouldn't depend on the size of their shoes!**

## Plan your shoe action

### Step 1: Gather the shoes of tamariki.

Whether it's at home or at your centre, everyone can participate.

### Step 2: Get creative!

Create shoe paintings or prints. Create a display at your centre, MP's office, or a public park. You decide!

### Step 3: Take a photo.

Post it to your Facebook or Instagram and tag @ECEVoice.

For advice, information, or resources, reach out to [payparity@nzei.org.nz](mailto:payparity@nzei.org.nz) or your local Te Ope Kōhungahunga (Early Childhood Member Leadership Group) member.
